

### 3 way Conferences 2021

Thursday 8th of July

Dear Parents/Guardians

We are pleased to invite you to our 3 way conference evening on Wednesday the 4th of August. Teachers and students will be sharing and celebrating their learning and progress. Please bring along any questions and queries you may have arising from the written reports. These are available online through the parent portal.

We always aim for full attendance from our whanau at these events, so teachers will be calling and emailing, following up with families who do not make appointments. Please do not be alarmed if office staff also ring to follow up. It is our aim that 100% of our students participate in conferences.

The final written report of the year will still be online and will contain information about students progress and achievement in curriculum areas and the language of learning skills. As always, anytime you have a question or concern about your child's learning or progress please make an appointment to see the Kaitiaki or Hub teachers.

**This term's 3 way Conferences are on Wednesday 4th August. All students will be dismissed from classes at 1pm. Please may we ask you to organise to collect your child/ren or organise alternate care.**

- Students in Piwakawaka, Pukeko, Tui and Kereru teams
- Students in Kaitiaki Smit now Ratnayake will be going home at 1.00 as well but have already had their opportunity to book for 3 way conferences.
