

Online we...

- Use kind language in chat and comments
- Consider others in video chats
- Are aware of digital footprint
- Acknowledge other people's work
- Ask permission to post images and use others work
- Keep personal details private and secure
- Report inappropriate behaviour and information

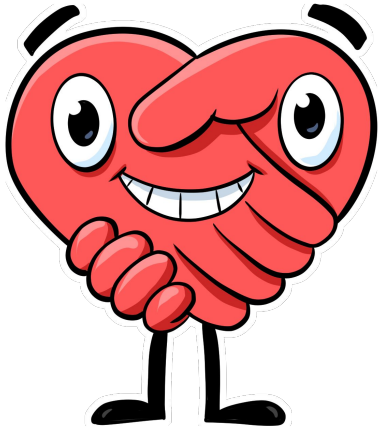

In Google Meets for learning we...

- Are on time
- Greet the teacher and other members
- Mute microphones when asked
- Watch the lesson
- Use the agreed signals when asked a question
- Unmute microphone when called on
- Say goodbye before leaving
- Leave the chat when asked
- Chose a place to sit that is safe (being mindful of what is going on around me)

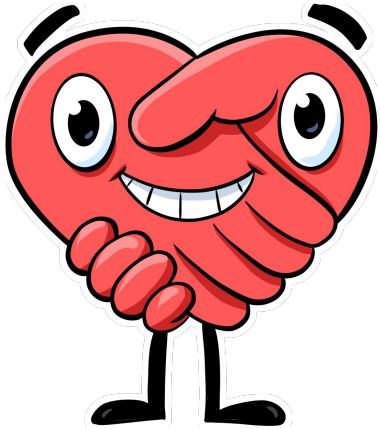

In Google Meets with peers we...

- Check with an adult first
- Sit where an adult can hear or see our chat
- Use kind words and manners
- Keep noise levels to quiet talking
- Check what is happening behind us in video chats

In shared online spaces

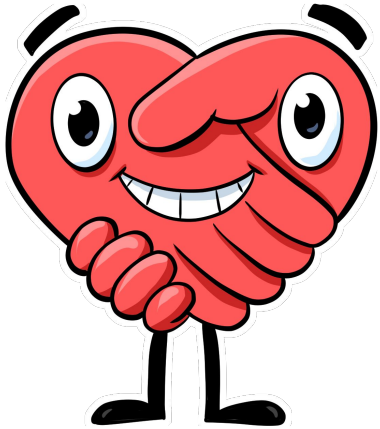

we...

Use kind words and manners by..

- Keeping comments about learning
- Focus on the success criteria for the learning task
- Offering help to others if you can
- Post appropriate images

In Google Classroom we...

- Check what learning is expected
- Participate in Google Meets when asked - (if possible)
- Use stream posting if we need help
- Share our work
- Keep commenting and chat learning focussed
