

TE MOANA NEWSLETTER

TERM 3, 2025

WHAT WE ARE LEARNING

Literacy – This term we are very excited to start our structured literacy journey. This will cover both reading and writing.

We have the Rehu Tai Te Moana finals coming up please come and listen to our amazing akonga.

Mathematics – We have just started fractions, which we will cover for the first part of the term. Then we will move to geometry, focusing on shapes, spatial reasoning and pathways, as well as measurement, where students will look at angles.

Inquiry – We continue to focus on Community. The direction most students have taken is: How can we have a positive impact on our environment.

Mitey – Our ākonga have recently been learning about emotional well being and we will continue to focus on this.

The Arts – We are completing our visual arts unit and then move onto dance.

UPCOMING EVENTS

AUG

8

Te Moana Rehu Tai Finals, 11:20

AUG

Manurewa Rehu Tai finals

SEPT

1-5

AIMS

REMINDERS

As you can see we have a busy learning environment. If you have any expertise in caring for our environment please contact one of the teachers. We'd love to hear from you.

Home Learning – Just a reminder the expectation is for ākonga to do 20-30 minutes of reading after school and there are also activities online.
