Kia ora Reremoana whanau

Unfortunately our return to school is not going to be as smooth as we had all anticipated.

All of our teaching staff have been deemed close contacts to a positive COVID-19 case following a staff training day on Thursday.

They are all getting tested and awaiting results and further instructions, but will all be required to self isolate until at least next Sunday.

**Therefore the decision has had to be made to delay the opening of school for the year until after Waitangi weekend, Tuesday February 8th.**

We know this is frustrating for our parents and disappointing for our students. Our staff feel the same frustration and disappointment.

*The office will be open this week (office staff have not been exposed to COVID-19).*
