

A few points to keep you in the loop in regard to the management of Covid-19 at Reremoana School:

- We are regularly updated with, and continue to follow, advice from the Ministries of Education and Health.
- Following Ministry advice, we are not holding assemblies or celebrations. To this end we have cancelled the following
 - * All whole school, team and senior/junior assemblies
 - * The Pukeko Team Celebration this Friday, and subsequent celebration afternoons until further notice
 - * The disco planned in conjunction with Ice Skating for later this term - *Ice Skating lessons at school will continue, as will (at this stage), the Saturday Fun Day, minus the screamer slide and sausage sizzle.*
- CCSA (Central Counties) have cancelled all sporting events, and we expect MPSSA to follow suit. Our normal school sports programme is continuing.
- We have no current plans to close the school. We are, however, preparing for this if we should need to.
- We have a pandemic plan - this can be found on [School Docs](#), (link also available via the school website) - search pandemic.
- We are continuing to focus on reminding and encouraging good hygiene habits at school.
- The virus is being discussed in class at age appropriate level, with the focus on hygiene.
- Our own cleaning regimes (of classrooms etc.) have been heightened.
- The Ministry has released some [good advice](#) for discussing the virus with children. This is also available via our school FB page.
- If your child is unwell for any reason, please keep them at home.

If you have any concerns or questions, please don't hesitate to contact me juliec@reremoana.school.nz
