Flower Petals Needed for Rangoli Making

We are looking forward to creating beautiful rangoli designs using colourful flower petals at our Diwali celebration,
We would love your support! If you have any flowers at home, such as roses, marigolds or other flowers with colourful petals, please send them in with your child on Wednesday 11th November.
The flower petals will be used to create our rangoli patterns, making this a lovely, colourful and creative experience for the children.
Thank you for your support and for helping us make this activity special!

BACK TOGETHER!

We are excited to have the **whole school back at our Reremoana School Athletics Day** this year, with that **real community feel back!**

SKILLS FOR LIFE

Our students are being explicitly taught athletic skills as well as important general skills like resilience, collaboration, communication and more.

Our athletics day will be a celebration of this learning!

ALL STUDENTS, ALL EVENTS

This year we encourage all our students to participate in **all** events. Some will be doing so in a social capacity, while others will do that in a real competitive way, depending on the children and their needs.

IT'S A NORMAL SCHOOL DAY!

All children will take part in the athletics day events unless they have a medical certificate or a real valid reason where they physically can not compete.

We have enough differentiation in the programme to cater for all our students.

BUS TRAVEL

All students will have to take the bus to and from the event, which makes the organisation and safety of all students early to manage.

HOW YOU CAN HELP

The best way to support your child would be to help us out as an age-group **coordinator** on the day. We also won't be able to have the day without some **volunteers** that act as officials.

VOLUNTEERS NEEDED!

If you know any family members, ex-students or friends that could help us out on the day please email **traceya@reremoana.school.nz**

GAZEBOS NEEDED

At this stage we are also desperately looking for gazebos on the day to make sure our volunteers and students have shade at most times.

If you have a business with gazebos that are printed where you can advertise your business, we are welcoming that!

$15 PER STUDENT

We ask for a donation of $15 per student that can be paid from now on via **Kindo**.
