

Council Kindness Cookies

Please support this amazing initiative from our Student Council.

To promote kindness and support the Mental Health Foundation/Bully Free/Kindness week (Week 3), our Council members are making cookies for sale (under supervision). The cookies come sealed in a cellophane packet and are about 8-10cm in diameter. You can see what they look like on the poster below. Thanks must go to the Giam and Heighway families for their donations towards this project.

Cookies can either be purchased via Kindo for you/your child and/or be gifted to someone (child or adult) at school who has shown kindness to them. You can share your message if gifting via Kindo as well, and this will be passed on to the recipient.

Orders close Tues 13 May, for delivery on Pink Shirt Day, Friday 16 May.

Communication

It is very important that you* teach your child to come to the office if you are not at the designated meeting spot – we are trying to minimise the disruption to classes so are unable to deliver every personal message due to the volume received.

*We will reinforce this message in class.

The communication poster features a yellow background. On the left, there is a window with a pink blind and a potted plant on a wooden shelf. On the right, there is a stack of books, with one book titled "HAVE A GOOD DAY".
