### Enviro Team – Eye on Nature

Last week a piece about the Enviro Team's trip was left off the full school newsletter.

Last Thursday the Enviro Team went on a trip to the Botanical Gardens for our Eye On Nature adventure! We got to see how tracking tubes are made and how to identify the little footprints, and we learned about different natural resources. It was so fun! There were people from all over Tāmaki Makaurau teaching us about the environment and how to protect it. We went on a bush walk, and saw a cute little fantail! We followed some simple stretches into animal shapes and learned about how the zoo uses Te Whare Tapa Wha to help the animals. We also learnt about recyclable materials.

We had lots of fun when we went on the Eye On Nature trip, and we hope we can go again next year!!

And a big thank you to Shelley, (our awesome parent helper) for helping us out

### Cohort Entry at Reremoana School

Following our recent community consultation, we are pleased to announce that Reremoana School will introduce cohort entry for new entrants from Term 3, 2025.

Once your child turns 5 you can choose any of the dates below. They can't start before they turn 5 but must start by the time they turn 6.

Therefore as of Term 3 2025, the following starting dates will be on offer:

- Term 3: 14 July & 18 August
- Term 4: 6 October & 10 November
- Term 1, 2026: 9 February & 9 March
- Term 2, 2026: 21 April & 1 June

### What Happens Next?

This change will take effect from Term 3, 2025. If your child is due to start school from this time onward, we will be in touch with further details about enrolment and start dates.

If your child is due to start school in Term 2 they will start on the date already organised with the office.
