

## Network Upgrade

Next week Monday, Tuesday and Wednesday the Ministry of Education is upgrading school network. We will have no internet which impact on our phone system. This will reduce the number of lines available as all our lines will be directed to a secondary number, which in turn may impact on our ability receive and respond to calls.

Additionally emails may take longer than usual to be responded to as staff will not have access to these at school.

## Move-athon

Our Move-athon activity finishes tomorrow, with each team spending a block being active! Please can all students bring their moveathon goal sheets for teachers to sign by next week Thursday, to ensure they are in to win the prizes on offer.

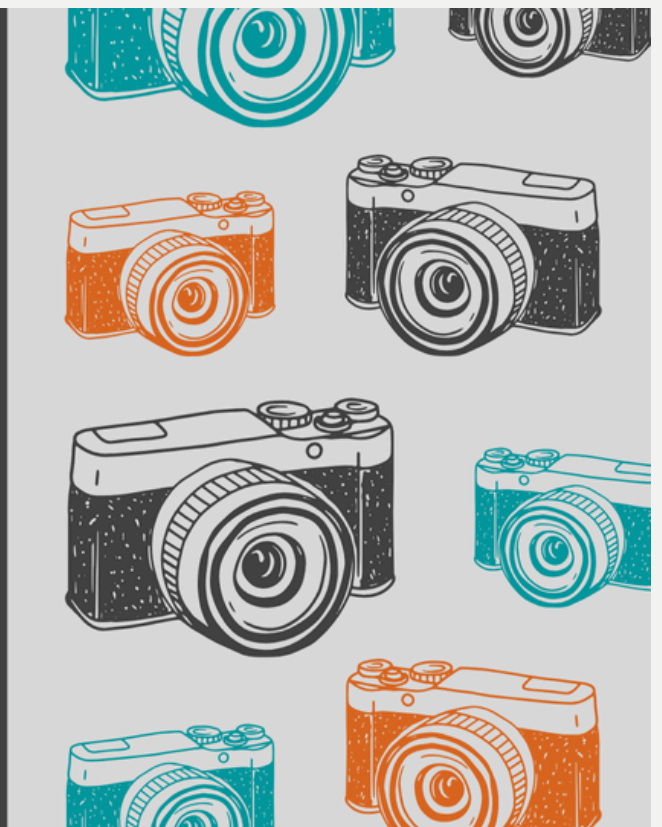

We appreciate the fundraising efforts made thus far; sponsorship can still be given until next Wednesday

23rd September 2024

# SCHOOL PHOTOS

- We have no schedule - if your child isn't here when they are called - they won't be photographed.
- Students are to be in Uniform (no sports kits on for photos)
- Sibling consent forms will go home nearer the date - these have to be completed.

## **Health Consultation**

Every two years schools are required to consult with the community in regard to the Health Curriculum. Please take this opportunity to provide input into the future planning of the Health Curriculum at Reremoana School. Under the four learning areas specifically related to Health as part of the Health Education Curriculum, you will be asked to identify what specifics are important for you and your Whānau to be taught at Reremoana School.

The link to complete the survey has been shared via the newsletter and via HERO. Please complete it once only. You can complete the survey by clicking [here](#).

**We really value your input and feedback.  
To encourage as many participants as possible,  
we will be drawing three names at random to win  
a \$100 grocery voucher.**
