

## Hats

At this time of year we appreciate that some school hats have gone missing/are not able to be found. Until the end of the year we will allow children who do not have a school hat, to wear a non uniform hat, as we feel that being protected from the sun is more important at this stage. We would prefer that the non uniform hats are not expensive labelled hats, as we are not able to take responsibility for them if they get lost.

From the start of next year we will require uniform hats to be worn.
