

Heads Up - NZEI Paid Union Meetings

We would like to advise our community that sometime in week of May 6 - date to be confirmed - teachers will be attending paid union meetings and that we will be requesting that students are collected from school at 1pm.

Celebration Afternoon Tomorrow

Tomorrow we celebrate with music. Please feel free to join us in the hall for a 2:30 start.

Board of Trustees

This year is an election year for school Boards of Trustees. The Board of Trustees is responsible for the governance of the school and sets the school's strategic plan for the next 3-5 years. It's great for a board to have a wide range of experience and skills and to reflect our community.

Here's a [video](#) that gives a little bit more information about being a school trustee. Please feel free to contact us with any questions you might have.

More information about the nomination (and then the voting) process will be coming soon.

Uniform Sizing

We have someone available to assist with trying uniform on for size every Wednesday from 3-3:30pm and Thursday from 8:30-9am.

Please come to the office. The office staff will direct you to meet Jo McMillin, one of our learning assistants, who will help you find the sizes you require.

Entertainment Book

Your support really helps our fundraising, so we're thrilled to let you know about bonus Early Bird Entertainment Membership Offers for loyal supporters.

Pre-order the NEW 2019 | 2020 Entertainment Membership and receive bonus offers you can use right away! <https://www.entertainmentbook.co.nz/orderbooks/968d32>

Community Notices

Wattle Downs Residents and Ratepayers meeting

Sunday 14th April 2019

Acacia Cove Lodge meeting room 6.30 PM

All residents welcome

The **Manukau Beautification Charitable Trust** and **Auckland Botanic Gardens** proudly present the artistic creations of kindergarten, primary and intermediate school children. As part of our annual environmental education event, Eye on Nature, the Trust invites children to respond to an environmental theme through the visual arts. This year the theme was Healthy Trees, Healthy Me - Hauora Rakau, Hauora Ahau, Nurturing our Forest Together.

Our Eye on Nature partner, the Auckland Botanic Gardens, generously offered the children their gallery space to display their exceptional interpretations of the native NZ forest from Friday 5 April to Sunday 28 April. We thank them for their ongoing support and encouragement of children's environmental education and creativity. There is a "People's Choice" which is open to the public who visit and view the exhibition allowing you to vote for your favourite artwork.
