

### **Goal Setting Conferences**

Information regarding Goal Setting Conferences on March 4 has been sent home in hard copy today and can also be found [here](#).

Please be sure to book online, and to complete and return the slip for the early finish on that day.

### **Powhiri**

Our first Powhiri of the year, to welcome new students and staff, will be held at 10:30am next Thursday 27 February. New families are more than welcome to attend.

### **House Spirit Day**

We will hold our annual House Spirit Day next Friday, 28 February. Students are encouraged to come to school wearing house colours. In the afternoon houses will get together to practice their chants, followed by a parade around the field at about 2:45pm.

### **Kindo**

We encourage all our families to use [Kindo.co.nz](https://kindo.co.nz) for payments made to the school.

If you used Kindo last year, you will notice some changes - these changes will make Kindo a lot easier for the user and the school. Please [click here](#) for the instructions (also available on the newsletters page of our website). The key to 'linking' your child's account to the school is that the email addresses used for Kindo are the email addresses the school holds.

For any questions please see Helen in the Office or go to Kindo directly.

### **Lateness / Leaving**

Can all families please remember to report into the office for students who arrive after 9am or if your child needs to leave school early. They need to be signed in and out for safety reasons. Only an adult can sign a child out.

### **Absences**

Please inform the office at your earliest convenience of students who will not be attending school due to illness etc.

You can email [office@reremoana.school.nz](mailto:office@reremoana.school.nz), call the absence line 09 269 0069 or use the [SkoolLoop App](#). Remember to leave the student's name and reason for not attending school.

### **Medication**

Students in Year 4 and above who are able to self-manage their asthma can carry their inhalers in their bag, ALL other medication is to be signed in at the office (see <https://reremoana.schooldocs.co.nz/> - Medicine Authority Form).

### **What's On**

Our [Community Calendar](#) is frequently updated with important school events, so please keep the link handy.
