

Teacher Only Days

Please again be reminded that school is closed for instruction next week on **Thursday March 12 and Friday March 13.**

Latest Covid-19 (Coronavirus) MoE information for parents

The latest information can be found on our website, or via [this link](#).

Zebra Crossing

Our crossing becomes officially 'patrolled' as of Monday next week. We look forward to helping everyone get to school safely via the crossing. Zara the Zebra (from Auckland Transport) will be there to help us on our first day.

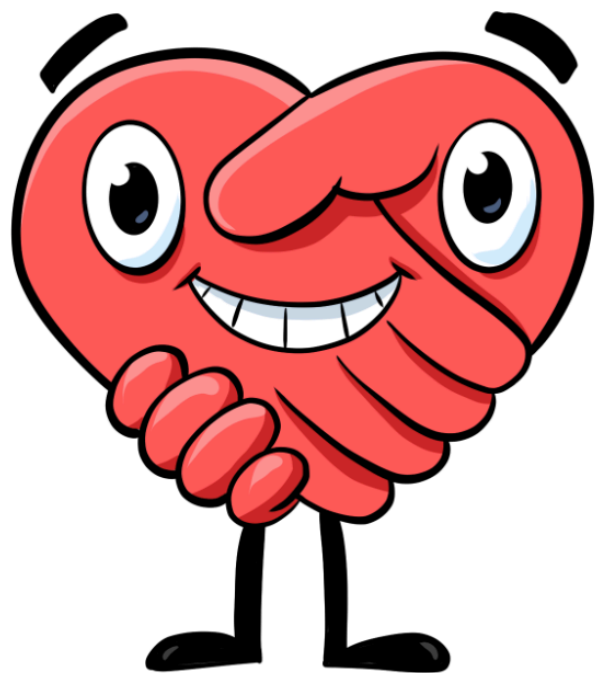

Please exercise extra caution as you drive around our school. All classes and road patrollers have had some practice on safe use, but please be patient with our student road patrollers as they become more experienced in their new roles.

We are also looking to relocate the bike racks so that riders exit to the patrolled crossing as opposed to the identified safety risk areas of the staff car park and drop zone.

To relieve congestion around our school, consider parking on nearby streets and using the crossing or alternate entrances (Turnberry, Belfry) as opposed to the drop zone and staff carpark, if you must drive to school.

On the zebra crossing we...

- Walk to the crossing
- Wait on the footpath
- Follow the Road Patroller's instructions
- Cross when the Road Patroller says "cross now"
- Walk across the zebra crossing

Parent Portal

In [last week's newsletter](#), information regarding our new Parent Portal was shared.

The Parent Portal will allow you to:

- Notify the school of student absences
- Link to Kindo - the online shop
- Access reports for students - We are moving to online report sharing for all reports
- Access documents shared with you by teachers

It is accessible on your phone and free to download through either the iTunes store or Google apps.

If you are experiencing difficulty accessing the Parent Portal, please contact the school office on 2690069.
