Children Turning 5

If your child, or a child you know, is turning 5 and starting school from now until the end of this year, and lives in the Reremoana School zone, please let us know your child is coming by completing a pre- enrolment form. The link to do so can be found [here](#).

This helps us greatly with our planning and staffing, thank you!

School Donations

As a Decile 9 school we receive lower funding from the Government than schools of lower deciles. We are also not eligible (as a Decile 9) to opt into the Government's 'donations' scheme where schools get \$150 per child instead of asking for a donation.

The Board of Trustees is therefore kindly asking families to contribute the following amounts, with a discount offered if paid by full by 31st May, or if having paid part of the donation in a payment plan.

*One child \$200 or if paid in full before 31 May \$175

*Two children \$350 or if paid in full before 31 May \$325

*Three or more children \$525 or if paid in full before 31 May \$450

Payment of your donation can be made through KINDO (online shop) or you can pay by cash, eftpos or internet banking.

All families who have paid their donations in full or shown a commitment to a regular payment plan between 1 Jan 2021 and 31 May 2021, will go into a draw to win a family voucher.

Thank you to those families who have already given a donation. We appreciate, are grateful for and will accept ANY donation if the suggested amounts aren't possible for your family.
