

BOOK WEEK AT REREMOANA

Wed 19 - Tue 25 June

On the 19th June we start our Book Week at Reremoana School. During the week until the 25th June we have a range of fun activities.

We start the book week with the **Enchanted Forest Book Fair** opening. This will be open all week at lunch times and before school. This book fair is helping us raise funds for our library. We would love it if you would donate a book from the book fair to our library when purchasing book for home.

Another exciting opportunity that is happening on the 19th is that a **Whitcoulls Top 50 author** is coming to our school to hold creative writing lessons and read his hit books. More about this later!

On 20th August the Years 3-8 students will be taking part in a **book quiz** to test out their knowledge of hit series. The Year 1-2 students will be competing in a **colouring competition** based on the author visit the day before.

A school wide colouring competition from the book fair is due in the following day.

We continue the book week on Monday with a **Book Character** day. We encourage all students to dress as their favourite book character. There will be a **parade** in the morning to show off the amazing costumes and prizes will be given for best dressed.

To end our book week, on Tuesday evening we will be holding a **PJs and Reading evening** (**see poster overleaf for more details**) where we will have lots of fun activities, teachers reading their favourite book and the last chance to purchase books from the book fair.

We look forward to seeing you there!

From the Office

Food / Lunch

With the colder weather upon us, which appears to increase our tamariki's appetite, we kindly request all our families review what and how much food they send in with our students. Whilst the school has a limited supply of 'emergency' food, we'd appreciate everyone taking the time to review lunches. On this note if you have an abundance of fruit the school would appreciate any donations. Please send along to the office.

3pm Collection

Please ensure that your child knows to come and wait at the office should you not be at your designated meeting point, in the case of bad weather / traffic. Office staff are unable to pass on the numerous messages received to every individual student.

What Now

We received this email from Suzanne Irvine, for those who are interested:

I am the Audience Coordinator for the children's tv programme 'What Now' (8-10am Sunday on TVNZ 2).

During 2019 we are broadcasting from around the country, show casing a different community each week. On Sunday 7th July our show will be coming live from Manurewa and I would like to invite your families to be part of the live audience! Families (including adults) are all invited to come and experience live tv being made while being part of our awesome audience...& it's FREE!! As space is limited, we work on a 'first in best dressed' approach.

You are most welcome to include this link in your notices for your families to register online to be part of the audience www.whatnow.tv/bonus/audience

We look forward to joining your community in 2019!
