

Measles Outbreak

We ask that if anyone in your household is diagnosed with measles or is in quarantine due to measles, that you keep your children at home for the quarantine period unless they have been immunised prior to the current measles outbreak.

If you are unsure of your family's immunisation status please contact your GP.

Measles in Auckland schools

The only way to protect your family is to make sure they are vaccinated or immune.

Please see your doctor now to catch up on missed vaccinations. They are FREE at your GP.

If your children are vaccinated, they won't need to stay at home if there is measles at your school.

Keep your child at home if they are sick and watch out for symptoms:

Cough Runny nose Sore red eyes Rash

If you or your children show symptoms please stay at home and call your doctor or Healthline (0800 611 116) for advice.

Water in Schools - Get Aquafied

A reminder that at tomorrow's **Celebration Afternoon** (also featuring Pukeko Hub 1 and Piwakawaka Hub 1) we have special guest Walter Niemandts (Dancing With the Stars, Sticky TV) coming to talk to us about the Water In Schools programme, which promotes health and protects our environment through the purchase of metal drink bottles. Money raised supports both the school and Kidney Kids, of which Walter is the ambassador.

Look out for ordering information coming home soon!

Because of Walter's visit **we will begin our Celebration Afternoon at 2:10 pm.**

House Art Competition

All entries for this competition need to be in tomorrow, Friday September 6th.

Tongan Language Week

To celebrate Tongan Language Week, we invite our Tongan students to wear their cultural attire and other students may wear a lava lava or similar in celebration, to school tomorrow.

AIMS - Good luck!

Good luck to our Y 7/8 athletes competing at the AIMS Games in Tauranga next week. We have students competing in hockey, futsal, tennis, cross country, netball and rippa rugby.

Uniform Sizing

We are putting out the call to see if any parent is available to assist with uniform sizing one morning a week from 8:30-9, either Tuesday, Wednesday or Thursday. Our current morning person is no longer able to help. Please email lynnf@reremoana.school.nz if you can assist.

Weetbix TRYathlon

If you are interested in joining or school team, visit our Facebook page or click [here](#) for all the information.

Athletics Permissions

Please return these asap - if you have lost your paper copy go to our [website](#) .

DECILE REVIEW

A hard copy letter and survey regarding a decile review for Reremoana was sent home last week. Deciles are a measure of socio-economic factors. The higher the decile the less funding a school receives from the Ministry of Education, lower decile schools get more funding and more support services for the school and students. Deciles are NOT a measure of a school's effectiveness or quality.

We have decided to undertake a decile review as we feel our current decile (reflecting the 2013 census information) is no longer reflecting the character and make up of our community in 2019. This is potentially financially disadvantaging our school and our students.

The survey is available in languages in addition to English, and we have sent home the translation we hope will best suit your family. If you would prefer it in a different language (we have Maori, Chinese, Tongan and Samoan) please call the office (2690069) and let them know to send one home. The English version of the letter explaining the review can be downloaded directly from our website. If you have misplaced your survey please contact the office for another copy.

We would really appreciate every family completing this survey fully – it could make such a difference to our school.

All surveys need to be returned to Reremoana School by **Friday 13 September** please.
