

**ANNIE JNR** - Our production opens tonight. We will have some door sales tonight, but not Friday, which is sold out. Tickets: \$10 per person.

**Crossing Safely on Hadley Wood and Turnberry**

Please can parents remind their children about how to cross safely in these two places.

These places are not patrolled 'zebra crossings', and concern has been expressed that some children are walking out expecting cars to stop for them. It can be helpful to take your

children on a walk in the afternoon/evening to practice crossing safely in non patrolled crossing areas.

**Students Not Returning 2021/New Enrolments**

In preparation for 2021, it would be really helpful to know of any non Y8 students who are not returning to Reremoana School next year AND of any students, new entrant or otherwise, who may be joining us and have not already pre-enrolled. Please email [office@reremoana.school.nz](mailto:office@reremoana.school.nz)

**Return of Books**

We ask for both library books and school readers to be returned to school as soon as possible. Library books that are not returned will unfortunately be invoiced for.

**2020 Dates**
