

14 August 2020

Kia ora koutou

As announced today by the Prime Minister we are remaining at Alert Level 3 for a further 12 days (until 11:59pm 26 August).

Alert Level 3 means most children will continue to learn from home. Schools will be providing supervision for only those families who don't have someone at home during the day as everyone is essential workers outside the home. If you require supervision for your child/children during Alert Level 3 please email [juliec@reremoana.school.nz](mailto:juliec@reremoana.school.nz) before 1pm on Sunday 16 August.

Our teachers have been working this week to prepare online learning opportunities for children (similar to our previous Level 3 and 4 distance learning). Late Sunday/early Monday we will be sending out further information about distance learning.

Our teachers in the Pukeko, Piwakawaka and Kiwi teams have also been putting together hard copy packs that will be available for collection early next week. We will advise when they are ready for collection from outside the school gate/office.

Once again we are happy to lend out our school devices to allow our children to be able to access online learning. If your family requires a device (chromebook/ipad) to be able to access the online learning please email [maramac@reremoana.school.nz](mailto:maramac@reremoana.school.nz)

Take care, stay safe – please continue to regularly check our communication channels for updates (Facebook, emails and Skool Loop app).

Ngā Manaakitanga
