

## Administering of Medication at School

Please be reminded that we have strict procedures regarding the holding and administering of medications at school. A [Medication Authority Form](#) must be completed if a child is required to have medication administered at school. Medications are to be held at the office.

Please consult our [Medicines policy](#) on School Docs for the complete information.

## School board elections - IMPORTANT

Voting for our school board is now open. We strongly encourage all eligible voters (parents and primary caregivers) to vote as we want a board that represents our community.

The easiest way to vote is to submit your vote online. You should have received an email (from [iro@electionz.com](mailto:iro@electionz.com)) on Wednesday 10 August with voting instructions, a pin and password. Please check your spam/junk if you haven't received this. The candidate statements are available when you log in to vote but also please see below.

If you would prefer to vote manually (not online) this service will be available from Monday - please contact Helen ([helenh@reremoana.school.nz](mailto:helenh@reremoana.school.nz) 09 2690069) or pop into the office and you can collect voting papers that you then return to the office.

**Please have your say, please vote in our board elections  
- every parent has a vote, please use it!**
